

RYAN BEMIS

Forest, VA | 434-259-9170 | 2025rdbemis@gmail.com

Objective

Motivated Computer Science student seeking a Geek Squad position to apply strong customer service experience, hands-on technical skills, and a passion for computers, hardware, and troubleshooting in a professional tech support environment.

Education

Liberty University — Lynchburg, VA

Bachelor of Science in Computer Science

Expected Graduation: 2028

Relevant Skills & Coursework: Programming fundamentals, C++, hardware components, logical problem-solving, OS familiarity, pre-calculus, basic networking.

Technical Skills

Hardware Skills: Computer component identification, RAM/SSD installation, basic PC assembly and troubleshooting

Operating Systems: Windows (strong familiarity), Linux (basic fundamentals)

Troubleshooting & Maintenance: Basic system cleanup, drive organization, restart-based diagnostics

Networking (Basic): Hands-on experience using Cisco Packet Tracer and basic network layouts

Programming & Development: Strong in C++ and Python; familiar with HTML, CSS, JavaScript, Java, C#, and Git

Other: Quick learner of digital systems (including POS), file system knowledge, OS navigation, analytical thinking

Work Experience

Shakers Restaurant — Lynchburg, VA

Server / Host (May 15, 2023 – Present)

- Delivered professional and friendly customer service in a fast-paced environment, resolving issues and ensuring customer satisfaction.
- Managed waitlists and customer flow while maintaining clear communication with guests and staff.
- Organized tasks, multitasked efficiently during peak hours, and maintained a clean, orderly workspace.
- Explained processes and information in simple, easy-to-understand terms to assist guests.
- Adapted quickly to POS systems and learned new procedures with ease.
- Demonstrated patience, teamwork, and strong problem-solving skills in high-pressure situations.

Strengths

Clear communicator; fast learner; detail-oriented; customer-focused; strong problem-solving ability; reliable team player; technically curious and proactive.
